

Deluxe Secures Multiple Dolby Professional Reference Monitor Units

LOS ANGELES--(BUSINESS WIRE)-- Dolby Laboratories, Inc. (NYSE:DLB) today announced that Deluxe[®] Creative Services Group has entered into an agreement to purchase multiple units of the Dolby[®] PRM-4200 Professional Reference Monitor.

"Deluxe is committed to providing the highest-quality postproduction services for the content creation community," said Stefan Sonnenfeld, President, Deluxe Creative Services Group. "The Dolby Professional Reference Monitor allows us to help content creators realize their artistic vision with the confidence of the highest level of color accuracy available today."

The Deluxe Creative Services Group includes Beast, Company 3[®], Deluxe New York, EFILM[®], Method Studios, RIOT Atlanta, and Rushes postproduction facilities.

"Dolby is passionate about creating products that push the state of the art in allowing the creative community to realize their artistic vision," said Mike Rockwell, Executive Vice President, Products and Technology, Dolby Laboratories. "We are incredibly pleased that our efforts to create an extremely accurate monitor have resulted in Deluxe choosing Dolby for its critical postproduction workflows."
